Квартира в Эстепона

Great new development on the New Golden Mile with magnificent views of the golf course, consisting of penthouses and apartments with two or three bedrooms. Exclusivity, quality, and a modern and contemporary architecture set in a natural environment of spectacular beauty, with the mountains behind providing a marvellous background. A privileged location and an abundance of services nearby. The apartments are open and bright, fully equipped and furnished with SIEMENS appliances, kitchen integrated in the living room, air conditioning, alarm installed, smoke detectors and each apartment has a garage and storage room.
