# House in Mijas

Spectacular Luxury Villa for sale in an ideal location on Costa del Sol

It is a unique and impressive villa in an ideal place overlooking the sea and mountains near Mijas Pueblo, just above Fuengirola.
Initially, the house was traditional classic Spanish Cortijo. Now architects and designers turned it into a modern house, while maintaining the original charm.
Each detail is designed by leading Scandinavian designers, Spanish architects and engineers.
The property has three housing: main house, swimming pool / guest house and gym / servants. Big garage and shaded canopy for cars for five cars.
The main house has a beautiful historic hall, followed by a double high living room, semi-open kitchen, integrated terraces with pool and pool bar. Wine cellar in the old bunker, three bedrooms, steam bath, laundry and two bathrooms. On the ground floor you will find three more large bedrooms, two bathrooms and a large studio / office, as well as the main bedroom, bathroom and dressing room. All with a beautiful view of the sea, mountains and gardens.
Property with all imaginable ways has been updated with technology. The main house has a water warm floor system with remote control, connected to solar panels and air conditioners. The pool house has a terrace, a bedroom, a living room and a bathroom.
The gym can be organized at the request of the buyer. All three houses are designed with high-quality windows and doors, so you have the most beautiful views from any angle. Outside there is a small plantation of fruit trees and vegetable areas. This house uniquely combines modern and traditional design, impressive location, optimal functionality and the highest quality construction in accordance with the Scandinavian standards.
