Complex from 3 buildings near the city of Olot, La Vall d'en bas in Girona province. Complex with a total area of 531 m.KV. on the territory of 10.9 hectares. From the territory there is an incredible view of the forest, mountains and fields. Part of the land was planted with a high-quality lawn and a system of autopolis was laid. On the territory there is a main house, guest house and one more building with a large lounge and fully equipped open kitchen, there is still a separate room for service personnel. This is the perfect place for weddings, various holidays, culinary master classes. In construction, only high-quality materials were used: wooden floors from tropical wood, double-glazed windows supporting the temperature in the room all year round. In total, there are 7 bedrooms, 7 bathrooms, a few kitchens and salons. There is a large swimming pool on the territory, more than 2,500 fruit trees are planted.
