## Restaurant

Cozy restaurant, located in the area of La Mayra, Marbella. Stunning panoramic views of the sea and all the coast. Overaced spacious terraces. Excellent designer furnishings and a cozy atmosphere. Comfortable parking. The restaurant is opposite the German school. Electricity, water, telephone. Installed air conditioners. An elevator is installed for more comfortable access to the restaurant. Excellent investment! The Mayrana area is a fairly popular place due to the proximity of sandy beaches, shops and restaurants, not far from Marbella and Puerto Banus. There are also several golf courses nearby: La Cala, Mijas, La Mairen and Marbella. Nearby is a famous tennis academy and a club house just a few steps. A few minutes drive from the center of Marbella and Puerto Banus.
