Renovated office with sea views in Marbella Centre

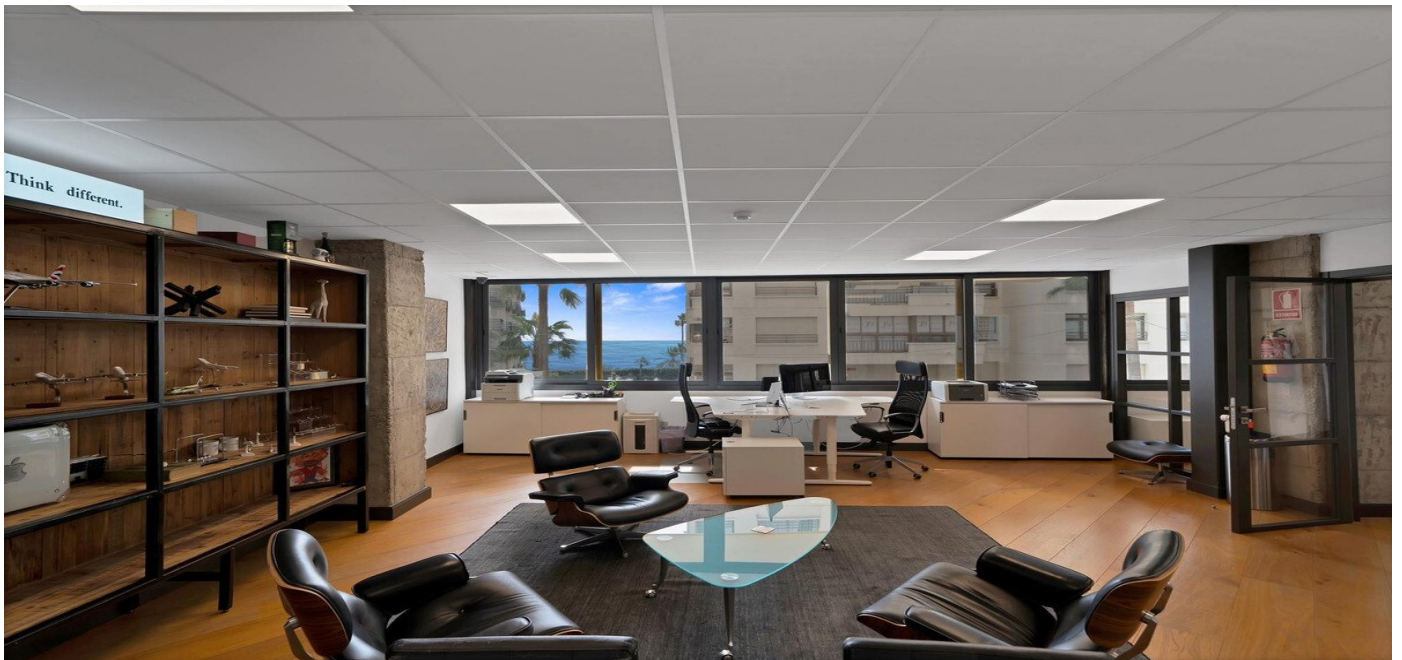

This exceptional, renovated office is located on the prestigious Avenida del Mar in Marbella Centre, connecting the historic old town with the seafront promenade. Known for its outdoor sculptures by Salvador Dalí, this elegant pedestrian boulevard offers a unique working environment with spectacular sea views and views over the sculpture plaza.

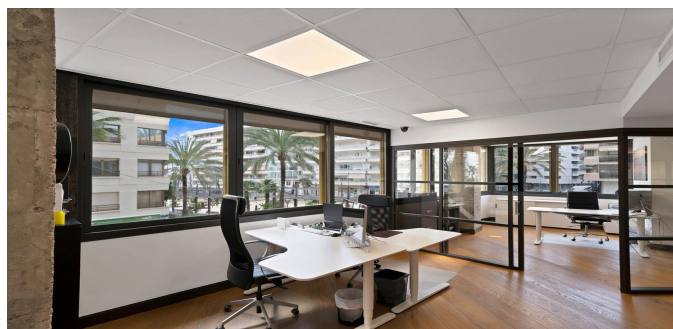

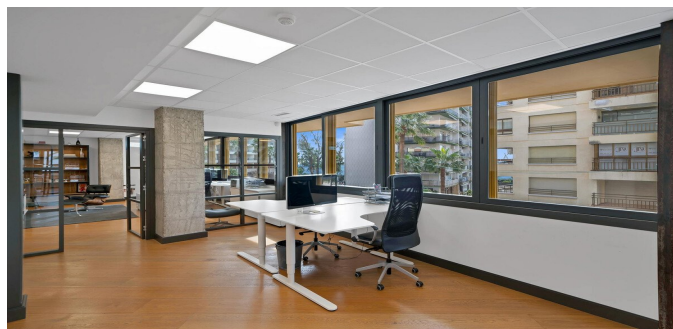

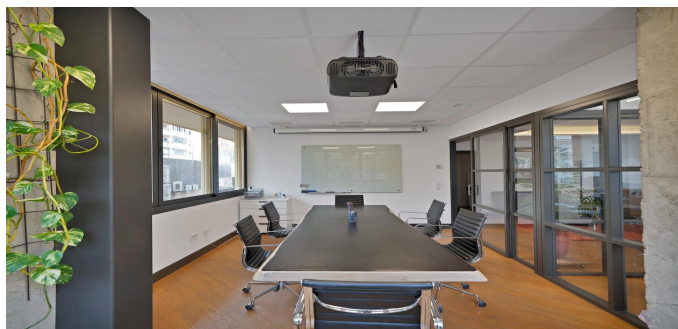

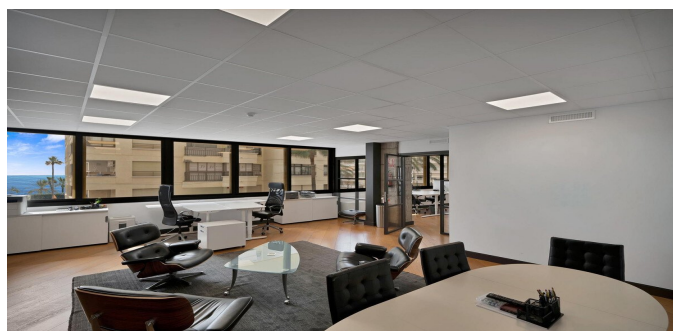

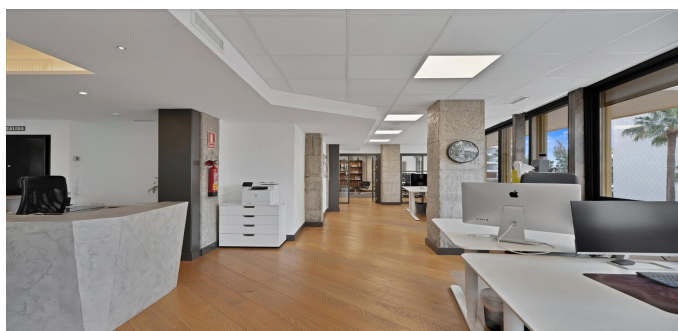

Surrounded by five-star hotels, fine dining restaurants, and luxury boutiques, this office is ideal for professional firms or premium medical clinics. The property features a spacious executive office, separate office areas, and a fully equipped meeting room, all designed for functionality and comfort. The recent renovations ensure a bright and professional atmosphere, making it a rare opportunity in Marbella's commercial property market.
