Flat

New closed guarded complex from 47 luxury apartments and penthouses, located near Los Flaminos Golf Club, on the new Golden Mile. In the complex 2 and 3 bedroom apartments with 2 bathrooms, with a spacious living room and a fully equipped kitchen, with a spacious panoramic terrace. Doors on the terrace, if desired, fully folded to the side and then the kitchen, dining room and living room, which are the heart of the apartment, acquire a completely new appearance and atmosphere, the feeling of space. The main idea laid down during the construction of the complex, the quality of life, which is why only the best materials were used in construction. Parking and storage room are included in the price.

In the immediate vicinity of schools, Medical Center Hospiten, shops, restaurants and golf clubs. A five-star hotel Villa Padierna is located in two steps, where the spa is located, as well as several golf courses. On the terms of payment and on other issues, please contact our managers.
