## Flat

New modern apartment complex in Spain, located on the first line of the beach in Sotogrand. The complex consists of two blocks with 64 apartments with stunning views of the sea harbor of Sotogrand. Closed guarded urbanization with a tropical garden and a swimming pool. For sale apartments with 2 and 3 bedrooms, spacious living rooms, there is an opportunity to combine two apartments in one big apartment with 3 or 4 bedrooms. Penthouses with a large solarium terrace and apartments with terraces with a beautiful view. The plunge garage and storage room are included in the price. High-quality designer finish in accordance with European construction standards. Thanks to the solar panels, heat and sound insulation, the system of natural ventilation of the building has a certificate of energy efficiency category V. Residential complex with marine lines is perfectly integrated into the picturesque landscape of the sea harbor, next to the port. A unique opportunity to enjoy a new home in one of the most prestigious urbanizations in southern Spain!
