Two spacious new apartments for sale located in the center of Marbella. Apartment with 2 bedrooms and access to the inner patio, on the first floor. In walking distance from excellent restaurants, shops and Embankment of Marbella. This is a new magnificent project in the historic part of Marbella. In the immediate vicinity of the city wall of the XI century, which passed the path to the oldest Arab settlement, and at the place where the ancient center of Marbella is now.

The feature of the complex is its design. A huge courtyard (patio) was conceived to emphasize uniqueness. Large windows providing house natural lighting. The building consists of six apartments: two on the first floor, two - on the second and two attic, offering magnificent views of the city itself. All apartments have a parking place in the garage and storage room.

This small and unique building is located between two quiet streets, which still succeeds in keeping Andalusian style, where the road to local shops, narrow old streets and squares, as well as to broad prospectuses. A huge selection of restaurants, which are rightfully considered to be one of the best on all Costa del Sol.
