Apartment in Pedralbes

Architectural Masterpiece in Jardines de Tokio, Pedralbes

Key Highlights:

- Everyone in Barcelona knows that Pedralbes is the city's most exclusive neighborhood. And everyone in Pedralbes knows that Jardines de Tokio is its most prestigious enclave.
- Gated residential complex surrounded by gardens, located on a quiet, traffic-free plaza.
- Community area with private garden and swimming pool.
- Signature project by renowned Catalan architect Claudio Carmona Sanz, inspired by principles of Japanese architecture, featuring natural wood latticework on the façade and panoramic glazing reminiscent of antique stained-glass windows.
- One apartment per floor, with 360° wraparound layout, designed for maximum privacy and spatial harmony.
- Fully renovated in 2024 to the highest standards of design and quality.
- Two underground parking spaces and one outdoor parking space, included in the price.
- We invite you to watch the professional video presentation of this residence on our channel and schedule your private visit.
