## Apartment in Zona Alta

Unique apartment for sale on the iconic Avenida de Pau Casals with views of Turo Park!

It is currently undergoing renovation (with the renderings in the ad representing the current design project), but some parts of the project could still be negotiated/adjusted to suit the client's needs and tastes.

This apartment has a large living room with spectacular views of Turo Park, 6 bathrooms, and 5 bedrooms (3 of which are exterior). Built-in wardrobes provide ample storage space, while heating and air conditioning ensure maximum comfort throughout the year. Top-of-the-range finishes.

Located in a classic building with an elevator and concierge service, the apartment is on the third floor.

With this high-end renovation, this apartment will be one of the most exclusive properties in the area.
