Winery in Valencia

For sale profitable wine business - winery with 36 hectares of vineyards, modern facilities and export to 30 countries around the world

Unique winery in the picturesque region of Spain with 36 hectares of vineyards and exclusive rights to produce cava (Spanish sparkling wine with Denominación de Origen).

Why is this winery unique?

1. huge area - 36 hectares = 50 soccer fields! Completely ready business with prospects of scaling up.
2. export to 30 countries - wines and cava are successfully sold on the international market.
3. Denominación de Origen (DO) for the production of cava - new licenses are no longer issued, which makes the business exclusive and highly profitable.
4. Maximum efficiency - automated processes, minimal personnel costs. Owner is a fan of optimization, premium technology. Employees are minimal (you'd be surprised!).
5. Famous brand - scalable business that can be scaled up several times without a big investment.
6. Permission to build an enotourism complex - up to 4,300 m² (hotel, restaurant, tasting rooms, winery).
7. Smooth transition - the manager can stay up to a year to pass on knowledge to the new owner.
8. Biocertification - wines and cava sold in premium bio-shops, boutiques and restaurants.
9. One of the most efficient wineries in Spain - ranked among the top businesses (according to 50
10. key indicators: profitability, innovation, exports, management and reputation).
11. Access only through us - the object is not for public sale, we have exclusive rights.
12. Tasting room for events with panoramic views of the vineyards.
13. Own well - a key resource that guarantees constant access to water, which eliminates one of the major challenges of wineries.
