Rieral is a very quiet and family-friendly area, it has schools and many playgrounds. Sports areas and bicycle lanes. Pharmacies, shops, supermarkets and bakeries. Lloret de Mar is famous for its magnificent beaches and coves. The city is located between hills that protect it from the cold and wind and its proximity to the sea softens the temperature.

Observe a coastal Mediterranean climate, with much milder temperatures due to the moderating thermal effect of the sea. The Mediterranean is a warm sea all year round. The closest airports are Gerona-Costa Brava, 30 km away, and Barcelona, 75 km away.
