Spacious apartment in the center of Lloret de Mar. Apartment on the 3rd floor with elevator consists of 82m2 distributed in 3 bedrooms, 1 of them all exterior, 2 interior rooms and 1 bathroom, separate kitchen, living room with access to a balcony and north orientation.

The location is perfect, just 5 minutes from the center and the beach of Lloret de Mar. Lloret de Mar is famous for its magnificent beaches and coves.

The city is located between hills that protect it from the cold and wind and its proximity to the sea softens the temperature.

Observe a coastal Mediterranean climate, with much milder temperatures due to the moderating thermal effect of the sea. The Mediterranean is a warm sea all year round.
