Modern Apartments with Pool and Gym in a New Complex

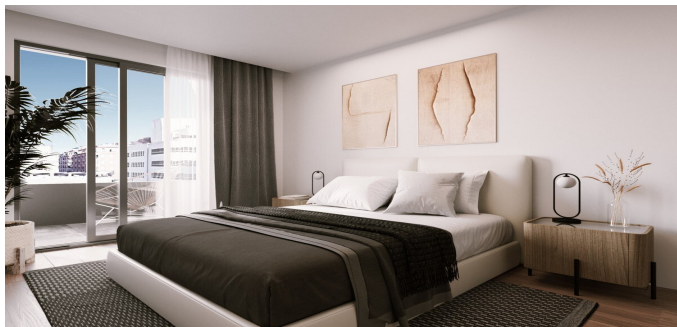

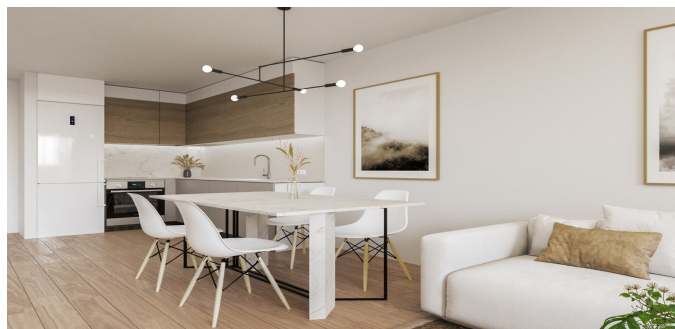

These new apartments in a six-story building represent the perfect blend of comfort and modern amenities. With an area of 217 m², they offer spacious living spaces featuring high-quality finishes and contemporary kitchens, fully equipped with appliances from leading European manufacturers. The location of the complex ensures access to all necessary infrastructure, as well as proximity to leisure and entertainment spots. The building boasts a rich array of amenities, including an indoor relaxation area with a heated seawater pool, sauna, and barbecue zone. For an active lifestyle, a modern gym is located on the ground floor. The penthouses are additionally equipped with private solariums and terraces, making them an excellent option for both permanent residence and investments with high rental potential.
