Residential apartment complex in Begur

Located opposite Sa Riera beach in Begur, Jardins de Sa Riera Living is an exclusive new development on the Costa Brava. The only newly built residential project in Sa Riera, it is designed for enjoying the Mediterranean in a privileged setting, with immediate occupancy.

The development comprises 52 three- and four-bedroom homes distributed among 26 unique houses, all with spacious terraces and private gardens ranging from 60 to 220 m². Many of the homes offer spectacular views of the sea and the Medes Islands. The interiors stand out for their contemporary design, spaciousness, natural light, and high-quality finishes, blending harmoniously with the natural surroundings.

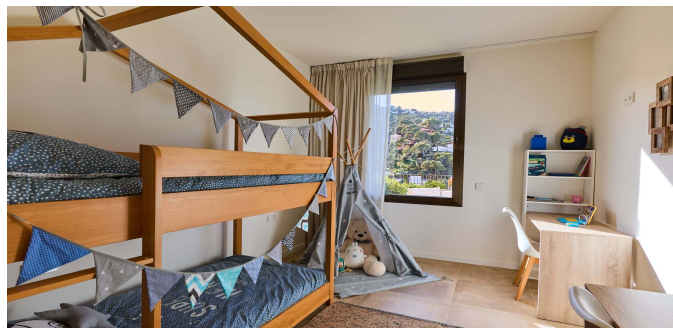

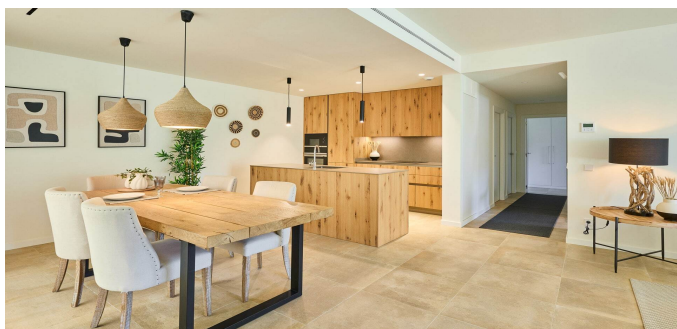

The communal areas include expansive gardens and two swimming pools, creating an ideal environment for enjoying the Mediterranean lifestyle year-round. Furthermore, its location allows you to walk to Sa Riera beach and discover some of the most iconic coves on the Costa Brava, such as Sa Tuna and Aiguafreda.

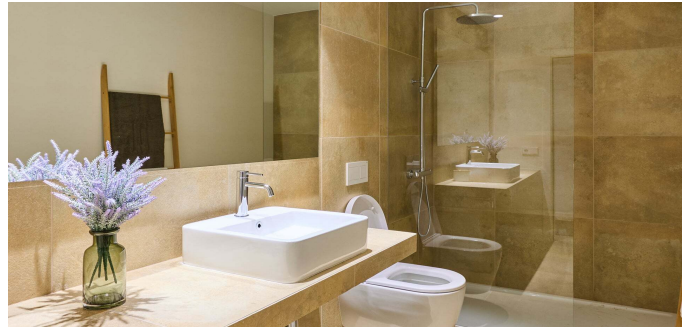

With construction complete and immediate occupancy available, this is an exceptional opportunity to own a brand-new home by the sea in one of the most exclusive destinations on the Costa Brava.

Contact us and schedule your private visit to the show apartment to discover your future home.
