Modern Apartments in Torrevieja with Pool and Garden

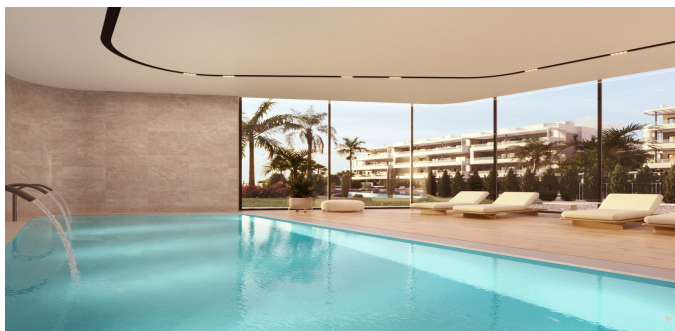

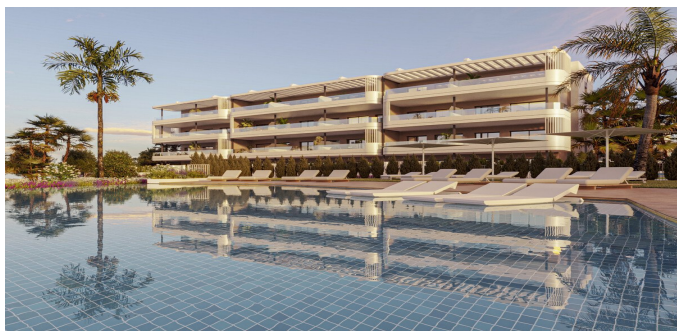

This new exclusive residential complex in Torrevieja, Alicante, offers a unique opportunity to enjoy the Mediterranean lifestyle in the comfort of modern apartments. The complex consists of 172 apartments spread across six buildings, each designed to provide high quality and convenience. With a choice between two or three bedrooms and contemporary bathrooms, you can find the perfect option for your family or investment. Among the amenities of the complex are well-maintained landscaped gardens and swimming pools for both adults and children, creating a complete resort-like atmosphere. Each apartment is equipped with modern interiors featuring high-quality finishes, including spacious terraces or private solariums on the top floors. Direct access to elevators and underground parking levels adds convenience to daily life. This project will be an excellent choice for both permanent residence and investment.
