Apartments in Marbella

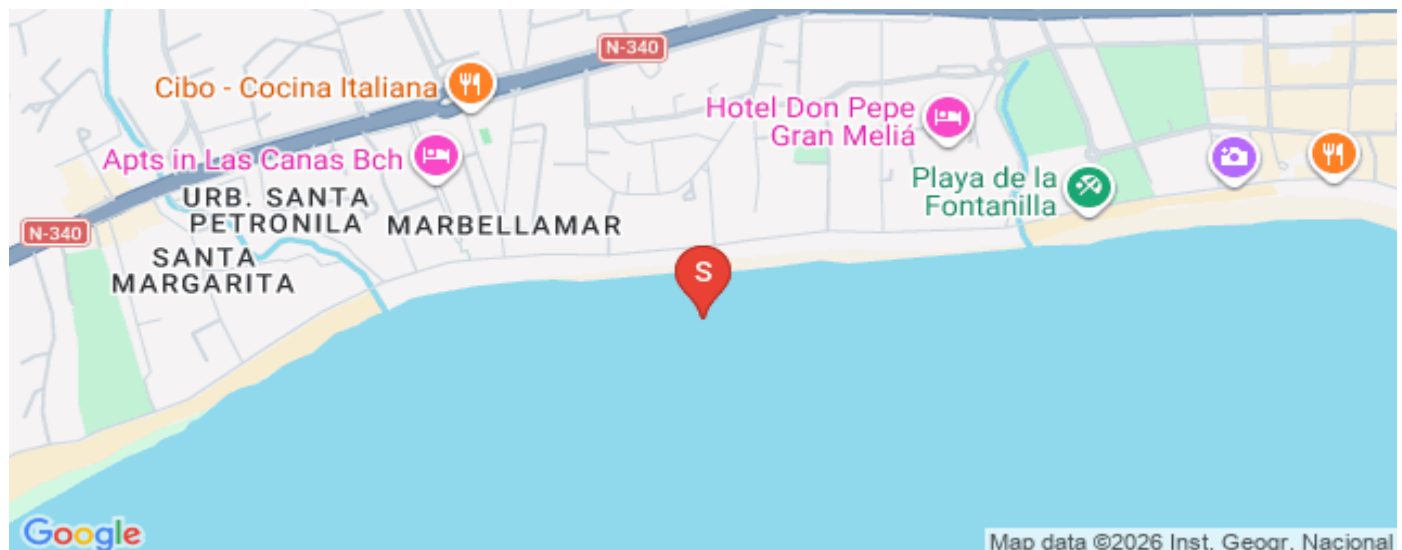

Spacious penthouse with private pool and sea views in Marbella

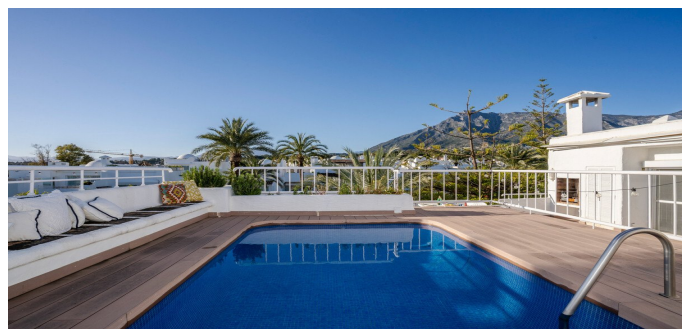

This large frontline beach penthouse is located in the prestigious Alhambra del Mar urbanization, offering stunning open views over the sea. Situated in the Golden Mile, it is close to all essential services, making it convenient to live without a car. The property features 3 bedrooms, 4 bathrooms, and a private pool on the upper terrace.

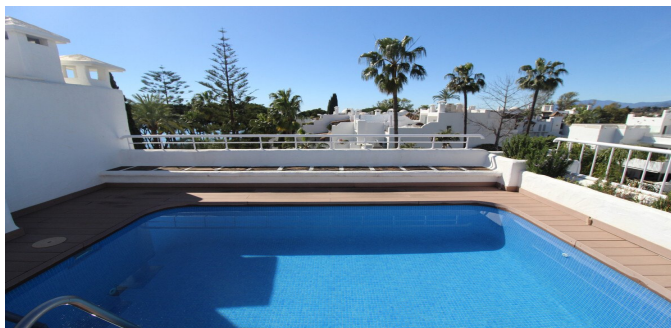

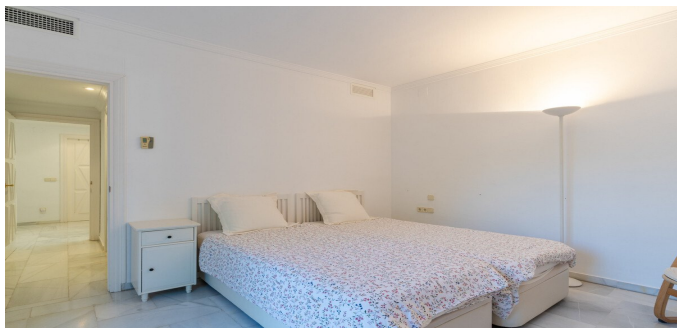

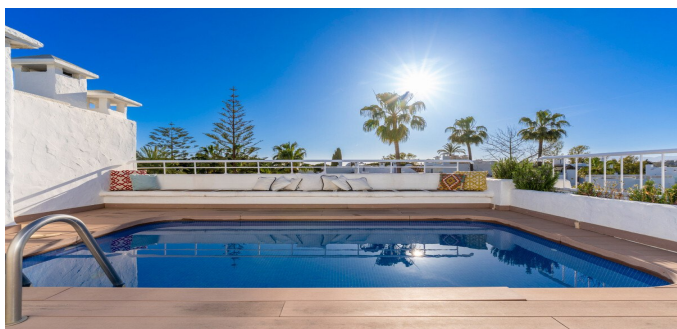

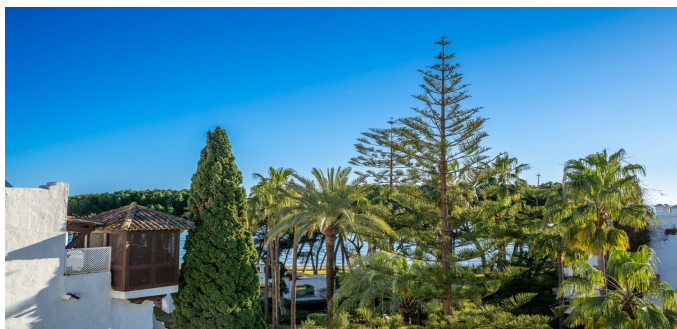

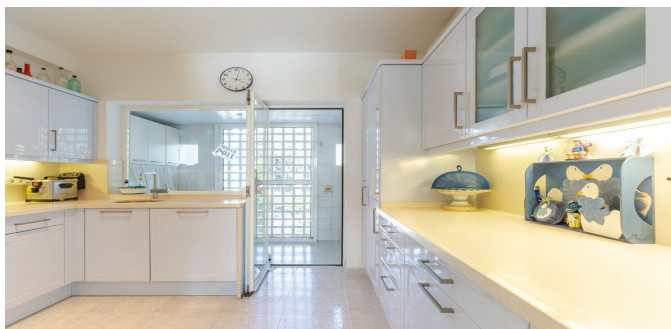

Located on the second floor with an elevator, this corner apartment provides a private villa-like atmosphere within the urbanization. The entrance leads to a spacious living room with a fireplace and dining area, both opening onto sunlit terraces with exceptional sea and garden views. The upper floor boasts a wonderful suite with a large bathroom and dressing room, surrounded by fabulous terraces, a swimming pool, and a barbecue area, ensuring privacy and charm.
