Two penthouses with sea views in Rio Real

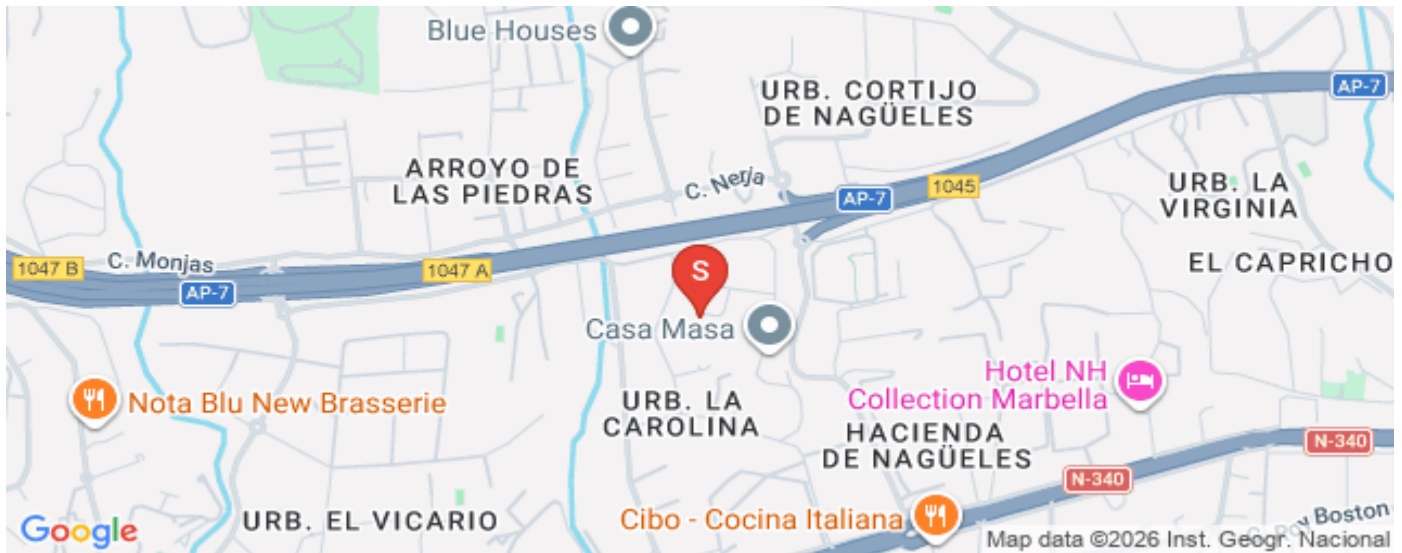

This unique opportunity consists of two penthouses located in the desirable area of Rio Real. Recently refurbished in 2020, the property features two separate living rooms with a fireplace, three bedrooms, and two bathrooms equipped with underfloor heating. The southeast orientation allows for plenty of natural light and includes four terraces, two of which offer stunning views of the Rio Real golf course and the other two providing magnificent unobstructed sea views.

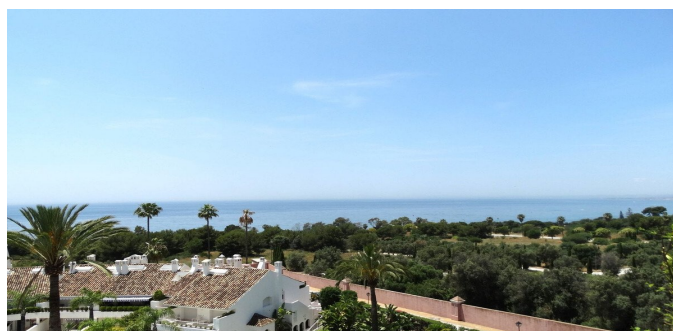

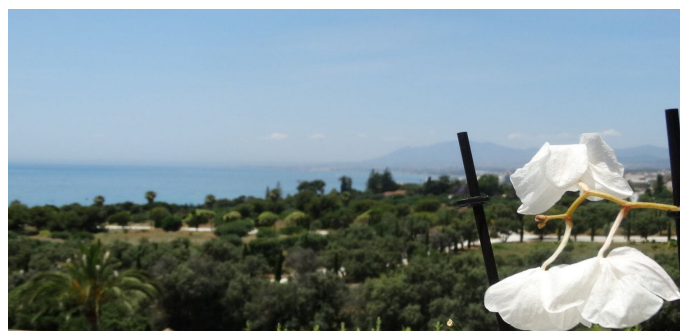

The layout can be easily modified, as the penthouses are currently connected through the kitchen. Additionally, the property includes two parking spaces for convenience.
