Apartments in Mijas

Three-bedroom apartment with communal pool in Mijas

This new-build development in Mijas offers a luxurious tropical residence experience, where water and greenery play a central role in everyday life. The communal areas include a swimming pool and gym, all surrounded by beautiful gardens, allowing residents to fully enjoy the wonderful climate of the Costa del Sol.

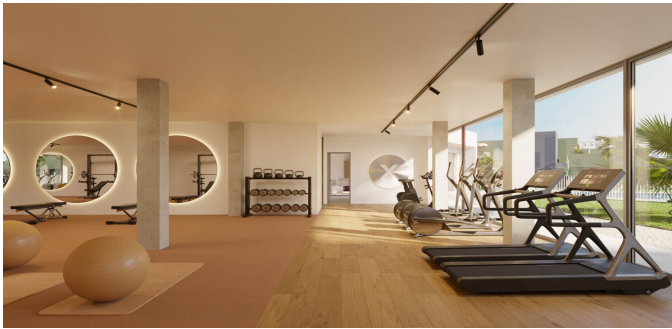

The project features a sophisticated design inspired by Brazilian resorts, characterized by pure lines and unique architecture. Large terraces extend from the distinctive green facade, providing both identity to the complex and optimal sunlight throughout the year.
