Apartments in Mijas

Three-bedroom apartment with spacious terraces in a sustainable development

This development offers a unique lifestyle connected to nature and design, featuring multi-family homes with 1, 2, and 3 bedrooms. The apartments are designed for tranquillity and everyday comfort, with spacious, sunny terraces that maximize natural light throughout the year, creating a seamless extension of the interior space.

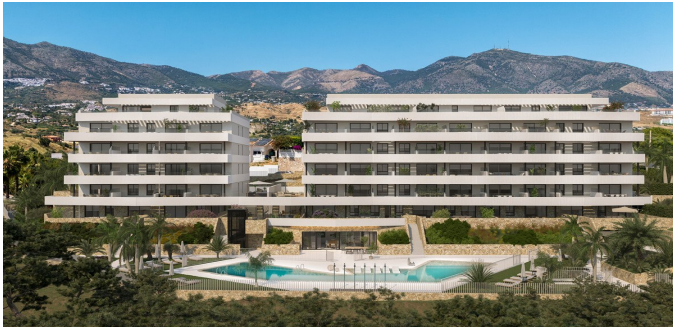

The complex includes convenient amenities such as storage rooms and parking spaces for cars and motorcycles, ensuring functionality for residents. This is a perfect option for those looking for a comfortable living experience.
