## Apartments in Mijas

### New residential complex with sea views near the beach

This residential complex features a unique project of just 59 homes, offering 1, 2, and 3-bedroom layouts designed for those who seek a tranquil lifestyle. Located only 10 minutes from the sea, it combines the beauty of both beach and mountain living while providing a peaceful residential environment.

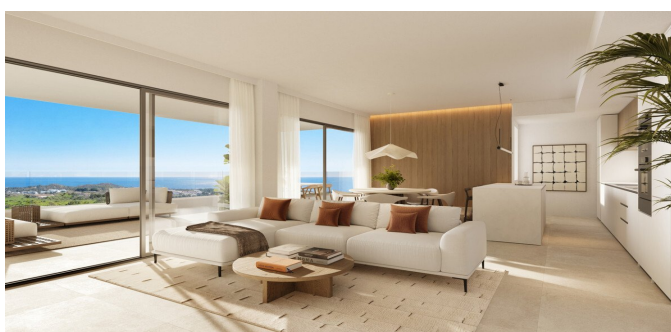

The community boasts expansive gardens and shared areas, including an infinity-style swimming pool perfect for enjoying sunsets with sea views. Each home includes a parking space and a storage room, ensuring comfort and practicality from day one. Experience a privileged way of living where nature and comfort come together.
