Land plot in Marbella

New-build development of detached homes with private plots in Marbella

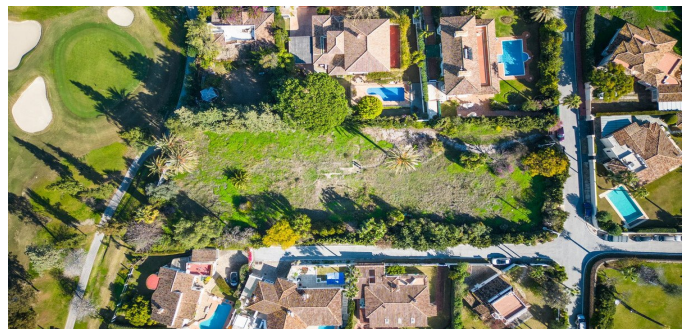

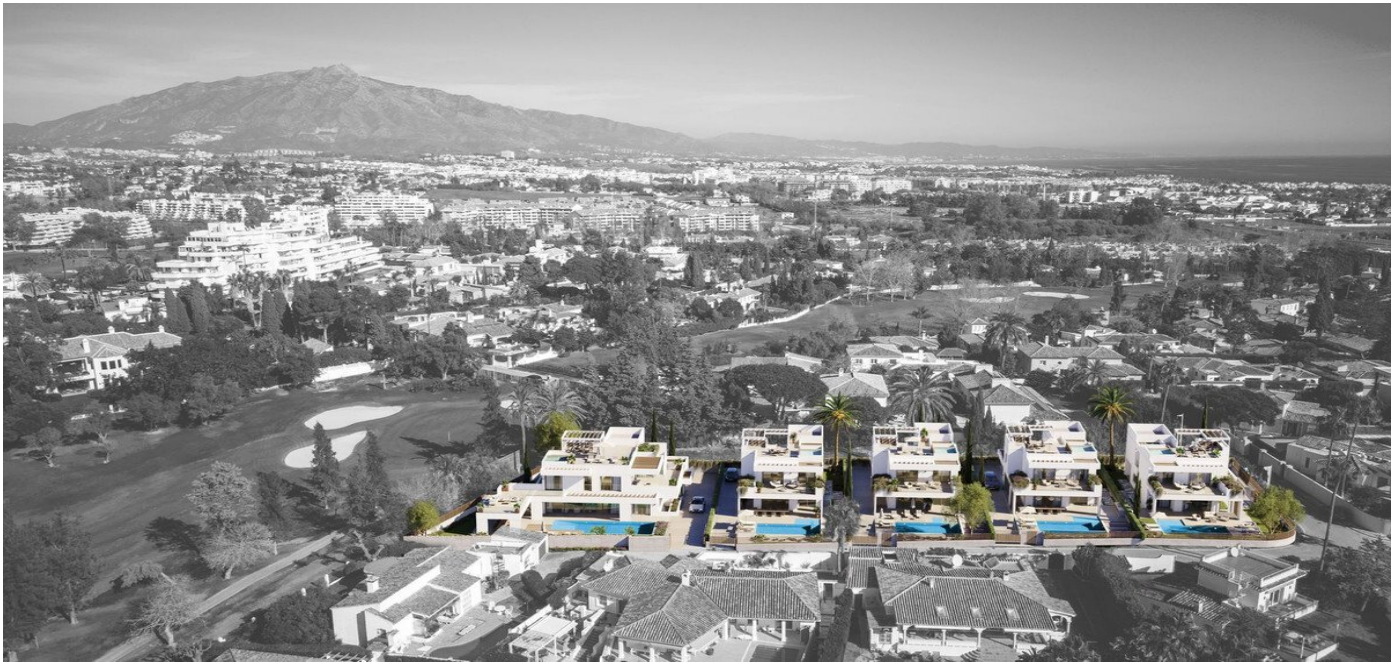

This project consists of five plots for detached single-family homes, each featuring two floors above ground and one below. Located in Marbella, these homes will include high-quality finishes and a building permit is already in place to commence construction.

Each home will offer a private plot, garage, garden, and swimming pool, providing a comfortable living environment. The development is designed to meet modern standards while ensuring a pleasant lifestyle in a sought-after location.

Key features

- Type: Detached single-family homes
- Number of plots: 5
- Land area: 3000 m²
- Garage: Yes
- Garden: Yes
- Swimming pool: Yes
