## Flat in Benahavis

Boutique complex - apartments, located in the privileged area of Benahavis, Los Almendros, surrounded by golf courses and nature. On the territory of the complex there are 2 communal pools made with sandy trim and aesthetics of a natural beach. The apartments have a private garage (2 or more car) and storage room.

The main idea of the project is to provide the opportunity to the future owner to design our own apartments without restrictions, ranging from the choice of the desired materials from the existing large list, indicating prices for them, ending with the number of rooms and planning a small pool, jacuzzi, gym, cinema, saunas, etc.

With the configurator, you can see various options for planning apartments, views from the terrace, modeling the apartments to add additional options to them and so on.

The number of bedrooms and bathrooms depends on the wishes of the future owner. The apartments can be from 2 to 6 bedrooms, and from 2 to 4 bathrooms. You can also schedule 2 multifunction rooms under the cinema, gym, spa, etc.

The end of construction is planned for October 2019. Under payment terms and other issues, our managers will consult you.
