VILL complex

Closed protected complex, consisting of 14 new modern homes, with beautiful views of the sea, golf and mountains. Villas with Danish design have double height ceilings and high-quality trim, living rooms open concept, filled with natural light. Each villa has a private pool with salted water and LED lighting. Villas have two floors and a large basement filled with natural light. The basement has the potential for use as a gym, office, wine cellar, technical room or laundry.

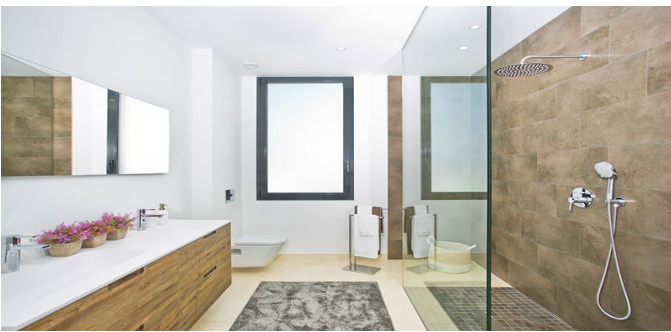

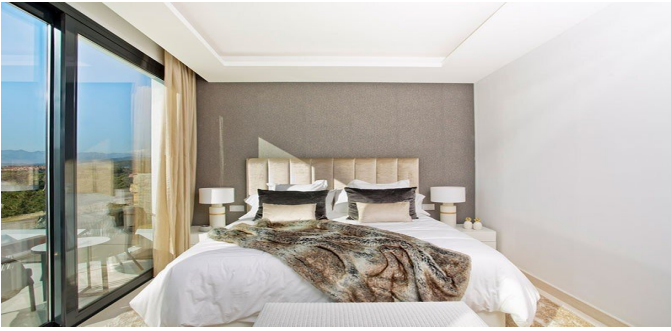

Fully equipped kitchens with an island equipped with Bosch appliances and silent work surfaces, high-quality Roca bathrooms. On the roof there is a solarium with a possible option to install the jacuzzi. There is a complex in the Kabopino golf area, not far from the commercial center of Kalachonda. A 10-minute walk to the port of Cabopino and sandy beaches.

The center of Marbella and the popular Puerto Banus are just 15 minutes away by car. 30 minutes drive to Malaga Airport.
