## House in Lloret de Mar

Beautiful and cozy house in Montlloret.

Located 10 minutes from Lloret de Mar, this cozy house has lots of light, large outdoor garden space, barbecue and unobstructed views of the forest.

It consists of 2 double bedrooms, 1 complete exterior bathroom with views, small independent kitchen with possibility of opening the wall, living room with fireplace and access to the outside.

At street level is the garage for car and motorcycle and plenty of space outside to park more cars without problem.

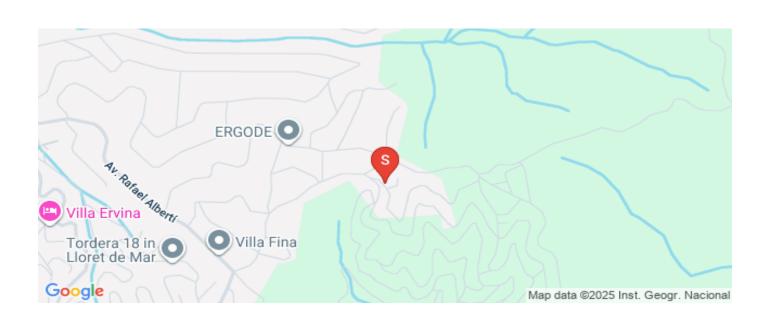

At 500m there is a bus stop, good neighbors, very quiet area.

Ideal for living all year round, as a vacation home. Several options to build a pool inside the plot.

Montlloret is an urbanization that belongs to the town of Lloret de Mar and is located 8km from the town center and the beach.

At 80km from Barcelona and 40km from Girona.
