

## Villa

Modern villas from € 495,000 !!!! Southwest orientation on the golf course! These 8 wonderful villas are inspired by the surrounding nature around them, such as extensive golf courses, the beauty of the mountains and the radiance of the Mediterranean Sea. It will be built with the best conditions for thermal insulation, which will ensure clean and efficient energy consumption. Villas are located on 2 levels, all with 3 bedrooms and appropriate bathrooms. Each bedroom has access to a private covered terrace, thus expanding the surface of each room to outward. Villas have direct access from the first floor to the social zone, which, in turn, connects to the terrace to the pool. The bedrooms are located on the top floor, with private terraces of which the best view offers. The architectural design of the internal spaces is practical and functional, allowing you to enjoy both large open spaces visually connected with each other, and enjoy full calm and solitude in the area of the rooms.
