House in Fuengirola

Beautiful new project consisting of 10 exclusive houses in four minutes walk from the beach in Fuengirola overlooking the sea. All houses are bright and spacious, with large sun terraces on the first and upper floors and a beautiful view of the sea. You can choose between houses with 3, 4 or 5 rooms and with a multifunctional space in a semi-base with natural light from 45 to 65 m², or houses with a solarium from 55 to 65 m² with an open-air jacuzzi. High quality houses, with fully equipped kitchens and two indoor parking places included in the price. There is also a beautiful common garden with a living room, a pool for adults and a pool for children. The project is within walking distance of Miramar shopping center, a beach and a variety of restaurants and services in the city. There is also a railway station, which in a few minutes will deliver you to the airport, Benalmaden, Torremolinos or Malaga. In addition, Marbella is just 15 minutes away by car, and Malaga is just 30 minutes away. Small size of the complex, location, excellent quality of construction, modern design and direct sea view make a project with a unique opportunity to enjoy the prestigious real estate on Costa del Sol!
