House

Modern four-level adjacent house with a beautiful view of the sea and Gibraltar. This beautiful elegant real estate with 3 bedrooms and 3 bathrooms just appeared on the market. Impressive views of the Mediterranean Sea and Gibraltar, within walking distance of the beaches and the port of Sotogrand. Located in a small village from the whitewashed houses, this property was recently renovated on high standards with a new kitchen, a new shower and laundry. In addition to 3 bedrooms and 3 bathrooms, there is also a big cinema that you can turn into the 4th bedroom. The whole house was fully furnished with elegance and style. It has a private garden and patio, as well as a communal pool and shared gardens with 12 houses.
