Villa in Estepona

Villa with sea view in Estepona, quiet urbanization, walking availability (10 minutes) to the beach and bus stop on the main Avenue Del Carmen, 5 minutes drive to the port of Estepona and to San Jose School. The price includes furniture. The villa has a beautiful style between classics and modern. The house is 248m2, distributed on two floors, which offer spacious open residential premises. The second floor includes an elegant main bedroom with access to a fantastic terrace with a magnificent view of the sea. The main bedroom includes a huge dressing room and a bathroom with a modern design. The first floor offers a living room with a dining area and a kitchen, one bedroom with bathroom, two bedrooms and one bathroom. On this floor you have access to a charming and small garden with vineyards, an ideal place for breakfast. This area includes a small wooden chair-studio. Place for parking 3 cars. Plot area 528m2.
