House in Marbella

Luxury bungalows on the first line of the beach with a private garden, part of the exclusive residential complex of apartments, villas and bungalows, designed to stay on the shores of the Mediterranean Sea. Currently is under construction. The project was designed to meet all needs and so that you can enjoy a chic beach personnel. The residential complex is allocated by the quality of materials, exclusivity, architectural features and enviable location by the sea. Common pool, tennis court, barbecue, gym. Clean lines and abundance of light fill each property consisting of 3-4 bedrooms, a cabinet and spacious residential premises located on three floors. Each bungalow is built in accordance with the highest requirements and is best in its class finish and layout. Much attention to detail was given to design with open spaces, a large garden with access to the beach, plenty of natural light, patio, veranda and private pool for your maximum comfort and well-being. Loading on the seashore, bungalows offer direct access to the beach.
