Beautiful villa built in 2002 on a plot of 2750 sq.m. With stunning views of the sea and mountains. This spacious house is distinguished by modern design, but it has preserved charming features of Andalusian design. It has 4 bedrooms, 6 bathrooms, fully equipped spacious kitchen, indoor and outdoor pools, cinema hall, large garage and magic spacious terrace for beautiful dinners at sunset outdoor. This villa is located in La Kint, just a 10-minute drive from Puerto Banus Harbor, beautiful beaches and golf clubs, but remains in a quiet private closed and a peaceful area surrounded by nature.
