## Villa in Benalmadena

Project on 20 exclusive luxury villas in the private community. If you are looking for a villa overlooking a small exclusive complex, you will probably like it. It consists of 20 objects made of better quality materials. Everyone has a private pool. Underground parking (2 parking spaces per villa) with direct access to the house on the elevator. From any level there is a panoramic view of the sea and mountains. There are two types of layouts, each house is built on two levels and has 4 bedrooms with 4 bathrooms and 1 guest toilet. All residents will have access to a fully equipped gym. Not far from Benalmaden Pueblo, the Sea and Train. The construction license has already been obtained.
