Villa in San Pedro de Alcantara

This perfectly designed residence is located in the prestigious El Madronial, a closed residential complex on the hills overlooking the Marbella and the Mediterranean coast. House 1000m2 on a plot of 3000m2. Real estate offers country life surrounded by nature with a predominance of wooded hills, next to a variety of golf courses and all incredible facilities of Marbella. Among the many distinctive features of the house - a fresh and modern interior with a pleasant open planning and separated levels that give a sense of solitude with interrelated residential premises. Related accommodation. From most rooms at home you can enjoy a beautiful view of the sea and the countryside. Cesar de Laba, an architect, who created this masterpiece, included 5 bedrooms, 4 bathrooms, each of which is distinguished by a unique atmosphere and a fantastic view of the mountains or the sea. March. High ceilings in many rooms create a feeling of space.
