Villa in Marbella

Contemporary Villa with panoramic sea views. House 860m2, plot 1560m2, with 5 bedrooms overlooking the south - one of the best quality top quality villas that are now sold in Marbella. Beautifully designed by the famous architect and recently built with attention to each detail, this villa is a truly breathtaking view of the south with a panoramic view of the sea and mountains. The combination of location, species, materials and architectural design makes this property truly special. At 5 levels with terraces around the perimeter, the villa includes a bright living room with a transparent fireplace and a practical layout that connects the living room, a dining room and a kitchen, all with direct access to the main terrace, the BULTHAUP area with an area of 70 m2 with Gaggenau technique, 5 spacious bedrooms with Bathrooms, Wardrobe, Elevator connecting all levels, Gym, Turkish bath, Cinema, Games room, Wine cellar, Garage for 5 cars and canopy for the car. The ability to expand and have 6 bedrooms. The hotel has water elements, a sun-heated landscaped pool, 12 solar panels, Botticino Fiorito marble, heated floors, all surfaces of bathrooms from natural black stone Pizarra, and all windows and doors from the Roman Clavero tree. The automated home system controls lighting, air conditioning, heating, audio / video and security system with magnetic window sensors, motion sensors and cameras around the property perimeter.
