## Villa in Elvira

Complex from 40 double wether villages and chalets, located in Elvira, Marbella, with views of Santa Maria and a country club and panoramic views of the Mediterranean Sea. All villas are drawn to the southwest so that you can enjoy the sun during the day. 14 of them will be in a private closed settlement, near the golf course with a beautiful view of the valley of pine and cork oak. Villas will have 3 levels: a large basement with the ability to make another 1 to 3 bedrooms, depending on the villa. The main floor with a huge open kitchen, a large living room and a dining room, a guest toilet, some of the bedroom with a bathroom (4 bedroom villas), a terrace / ami, a garden and a swimming pool. On the top floor we always have 3 bedrooms, each with a bathroom and a terrace / Ami. Each luxury villa is built on high standards and has a private pool, a garage, heated floors, a fireplace, a fully equipped kitchen, air conditioning, alarm, tropical garden.
