Villa in San Pedro de Alcántara

This modern villa is located on a spacious and even plot in Altos Del Rodeo in New Andalusia. Nearby there are bars, restaurants and shops, and in the center of Puerto Banusa, within walking distance - many others. This luxury villa consists of 4 large bedrooms and office space, which can be transformed into another bedroom. This villa also has a fully equipped kitchen, 4 bathrooms. House of open plan, a lot of light. An impressive and spacious living room organically connects the inner and outer zone. A huge master bedroom is located on the first floor and has its own way out on the roof terrace. From the spacious living room you can reach the open terrace and in a large garden. Here is a private pool, which, if desired, can be compatible with the salt water system. There is also a private garage.
