House in Marbella

Complex of 26 houses with a garage for two cars on the slope of Mount Monte Elvira, which are ideally combined with the surrounding nature. These spacious townhouses have 3 bedrooms and 3 bathrooms, large windows and terraces on the eastern and northeastern orientation of the object. We have all the construction licenses continue, so we can guarantee the incredible shipping of the keys in just 4 months to enter your future house. Gardens and the communal pool are also signs of identity of this exclusive urbanization. Surrounded by Sierra de Las Nieves, our new complex is located just minutes from the cities of Marbella, Ozen and Mijas. Sierra de Las Nieves was announced by UNESCO with a biosphere reserve due to the large variety of fauna and flora. Its famous mountains and natural surroundings surround the development, which allows you to enjoy a beautiful view of the mountains. This place is ideal for those who like to walk along his wonderful trails and explore the natural wealth of the area where you can find many species of animals and plants typical of south of Spain. More than 170 m2, residential area + 92 m2 terraces + 30 m2 garage (just about 292 m2 area)
