Villa in Benalmadena

Beautiful villa in a contemporary style in one of the best private urbanizations of Benalmaden Costa. Just 500 meters from the beach and surrounded by all types of services (restaurants, bus stop, taxi, pharmacy, etc.). This functional villa, built on a plot of 800 meters, occupies 3 levels. On the second floor there is a gym with a beautiful view and access to a small terrace. On the first floor there are 2 bedrooms with two bathrooms, a home with a dressing room. Large living room with high ceilings and winter living room with access to the garden and to the pool. Sauna and fully equipped bathroom, as well as a small kitchen with barbecue. The kitchen is spacious and has access to a two-bedroom bedroom with two bathrooms and a game room, a large dressing room with a separate entrance. Double garage, laundry,
