## Villa in Benahavis

Beautiful and spacious luxury villa 687m2, on a plot of 3743m2, right on top of the mountain in the Benahavis area. These villas are located in the Monte Mayor residential golf complex, on top of a hill surrounded by a golf course. Right at the entrance is a large inner courtyard consisting of a large fountain as a central part. Entering the house, you will find an amazing marble tiled floor and living room with high ceilings and doors on the terrace. Go through the side door, and you will get into the dining room with windows and doors on the terrace, thanks to which you will have an incredible view from anywhere. In total, this house has 6 bedrooms, including fully individual apartments for guests with a fully equipped kitchen and a living room. The territory of this villa is spacious and carefully thought out to offer many levels protected by beautiful planted edges and decorated with magnificent palm trees. A long and wide pool passes right through the middle of the garden with a solid arbor at the end, from where panoramic views of the beautiful coast make it possible to feel at the top of the world.
