Villa

Luxury villa in modern architecture in combination with the materials and finishing of the highest quality in the exclusive residential area of Marbella. The main reception room, exiting an open-plan entertainment zone, dining room, kitchen, as well as direct access to terraces with panoramic views of the Mediterranean coast of Africa, Golf Valley and La Cum. The villa has a modern living room with an open gallery, floating stairs with stainless steel railings and stunning panoramic views from all sides. The main concept of the living environment design was to create a villa, which at the same time is open to nature, but at the same time it is sufficiently protected from climate. Beautiful sea view is used as much as possible with large glass windows on the facades. • Stunning sea view • 10 minutes to Puerto Banusa • 5 minutes to the beach • Large glass windows • Living room with open gallery • Big terraces • Fully equipped kitchen • Pool with salted water • 4 bedrooms / 4 bathrooms
