## Villa

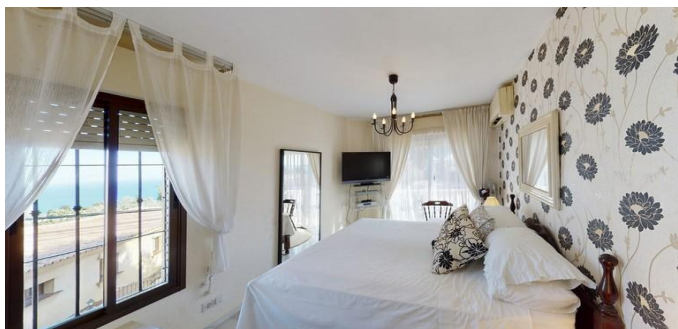

Located in an incredibly comfortable top of the urbanization of La Capellania, in Benalmaden, this large villa with 4 bedrooms, 3 bathrooms and a private pool is ideal for large families, as well as an investment to make renting on vacation time profitable. The villa is located on 2 levels, plus an underground garage with an area of  square meters, which can easily be transformed into a guest apartment. Like most houses on Costa del Sol, this family villa is focused on nature, with a magnificent large swimming pool and in the shade of large trees, where you can dine in the fresh air (there is also a barbecue). Inside the villa there is a guest toilet and a spacious bedroom at the first level, as well as a two-level Lounge-dining room, large kitchen-dining room, both direct access to the pool. On the second floor there are 3 bedrooms with double beds and two large bathrooms (one bathroom in the main bedroom). In addition, the main bedroom and one of the guest bedrooms divide a large terrace with some views of the sea and the pool.
