Villa in Mijas

Villa Sena, avant-garde style and a breathtaking view of the sea. The main idea of the project was to fill the environment with natural light and maximize the lighting of the house in all its rooms. The unusualness of its structure makes this villa exclusive and unique both from the point of view of architecture and from the point of view of the appearance. Smooth, soft and modern garden. The landscape pool, which invites us to relax, breathtaking views of the Fuengirola Bay, nature and privacy will enhance you with a charming atmosphere. Level 1: Large Hall connecting both floors and leading to the main living room with a height of 7 meters. Facade with facing in the center and side windows, which offer a beautiful view of the garden. Open kitchen with a large window with a view and a living room. Bedroom with dressing room, bathroom with jacuzzi, and gym. Wide corridor with numerous side cabinets, three large bright bedrooms and two bathrooms. Exterior rooms: Indoor and outdoor terrace with a seating area with a jacuzzi. Landscape pool with a playground for hammocks and a tropical garden with a seating area in the deepest part. Closed garage for two cars, open storeroom and half of the basketball court Level 2-room recreation or games Additional room
