## House in Girona

Sold Stone Farm House - Massia, about 4 km from the medieval city Besal, in the direction of Figueras. House with a total area of 300 m.KV. on the territory of 40,000 m.kv. There is a garden area of about 2000 m.kv. With fruit trees, a small pool, a pond with aquatic plants, a wooden barn and a chicken coop. The house has a basement plus two floors. Every about 100 m.kv. Central heating, water from the well for watering. On the ground floor there is a dining room, a large kitchen, a library and a machine compartment with freezers, a boiler, a device for mitigating water. On the ground floor there is a hall and four bedrooms with double beds with a private bathroom. On the second floor there are three bedrooms, each with a private bathroom and a large living room. Condition under repair.

Previously, the house functioned as a hotel on the B & AMP; b.
