Villa in La Nucia

Modern house with panoramic views in La Nucia

This new house, located in picturesque La Nucia, offers a unique blend of modern design and comfort. With an area of 351 m², it includes a basement, first, and second floors, providing ample space for living and relaxation. The architectural design featuring cubic shapes of different sizes creates an appealing and dynamic facade, while large windows fill the space with natural light and reveal breathtaking views of the surrounding mountains and sea.

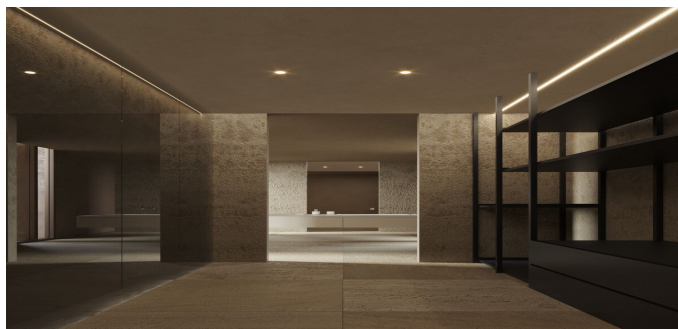

La Nucia is renowned for its unique microclimate, thanks to its location between the sea and mountains. It is the perfect spot for those seeking a combination of an active lifestyle and tranquility. There are numerous opportunities for sports activities in the area, as well as scenic viewpoints offering magnificent vistas. This house would be an ideal choice for both permanent residence and investment.
