Villa in Alicante

Luxurious Villas with Modern Design in a Prestigious Area

These six villas offer an exceptional combination of modern design and high-quality finishes, making them the perfect choice for those who value comfort and style. Built using durable materials such as reinforced concrete, they provide longevity and protection. Spacious terraces and common areas are adorned with high-quality anti-slip stone surfaces, ensuring safety without compromising on style. The interior space of the villas is filled with natural light thanks to thoughtful lighting and contemporary finishing materials. Each villa features a fully equipped kitchen and ensures year-round comfort with an aerothermal heating system and pre-installation for air conditioning. These villas are ideal for families or anyone seeking a cozy and elegant place to live.
