Villa in Fuengirola

Spacious detached villa with independent access in Torreblanca

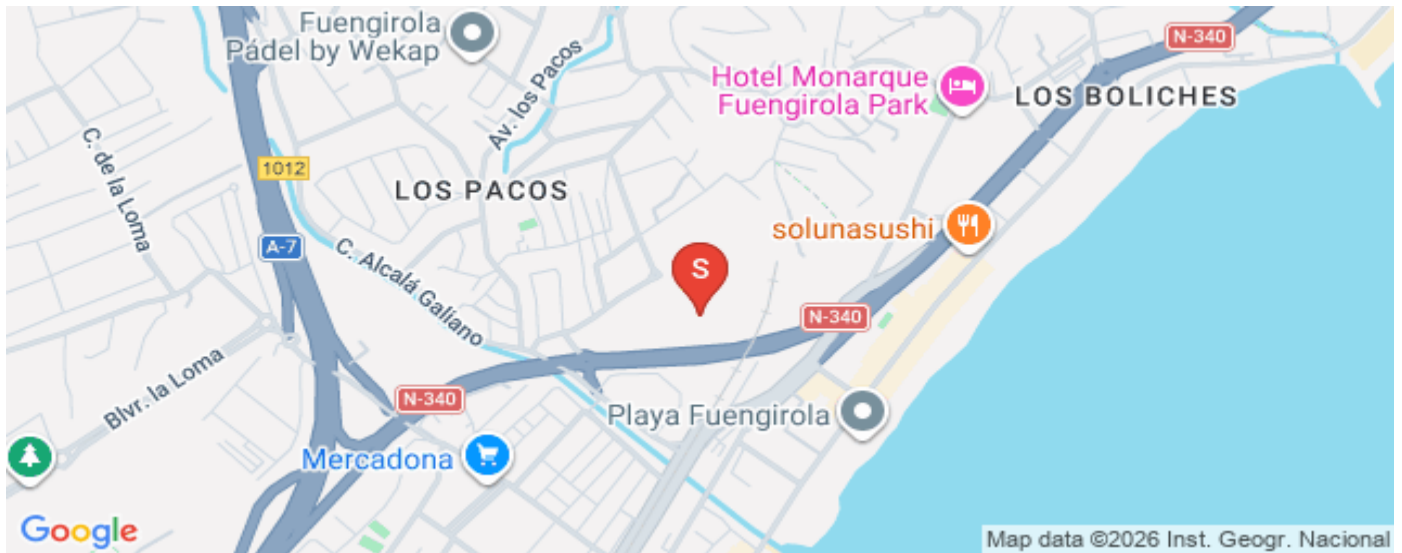

This well-presented detached villa is located in the sought-after residential area of Torreblanca, Costa del Sol. Offering generous living space and flexibility, it is ideal for families or as a multi-generational home. The property features two separate entrances, enhancing privacy and versatility, with the upper floor accessible via its own private entrance.

The villa boasts a bright first-floor living area, perfect for guests or extended family. Additional highlights include a fully fitted kitchen, private terrace, and garden, along with a children's pool. The property is conveniently situated near shops, restaurants, and excellent transport links, making it a fantastic opportunity for comfortable living.
