Villa in Estepona

Detached villa with private pool and sea views in Estepona

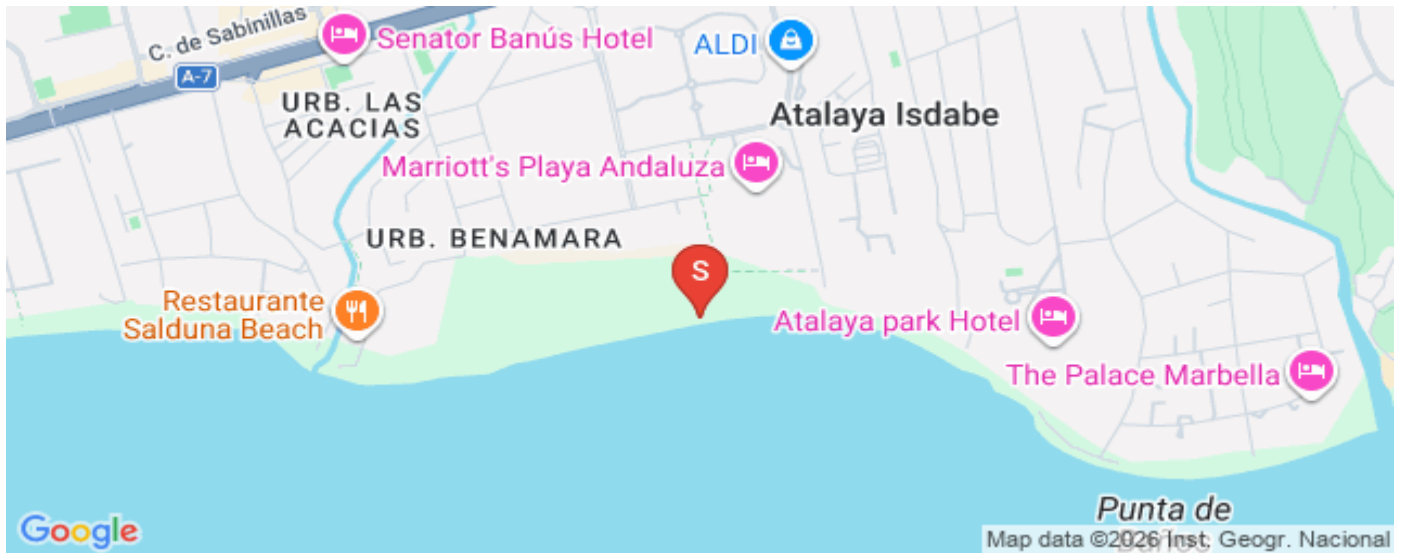

This charming development features four detached villas located in the hills behind Estepona, just a 10-minute drive from the center and beaches. Each villa boasts four en-suite bedrooms, a guest toilet, and a spacious basement that can accommodate three cars or be converted into a garage and multi-use room.

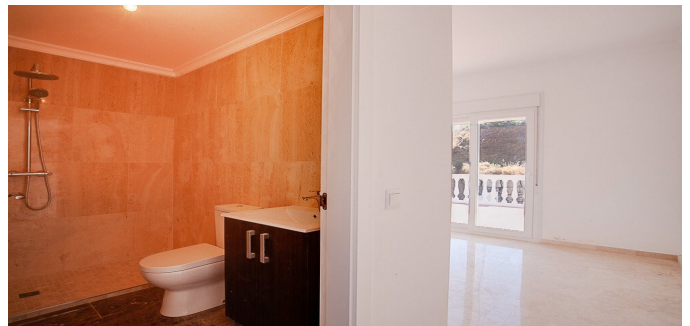

The expansive living room opens onto a large covered terrace and a private garden with a pool, offering stunning sea views. The kitchen is unfitted, allowing buyers to customize it to their preferences. This is a fantastic opportunity to own a beautiful home at a competitive price, especially considering that similar properties in the area requiring renovation are selling for more.
