House in Mijas

Equestrian property with extensive facilities in Costa del Sol

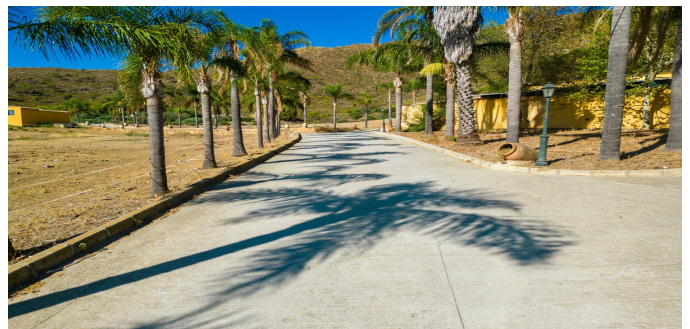

This impressive equestrian property is located in the heart of Costa del Sol, Málaga, just 15 minutes from the beach. The plot spans nearly 100,000 m² and features three water tanks, ensuring a constant water supply for the horses, with one tank receiving natural water from the surrounding mountains.

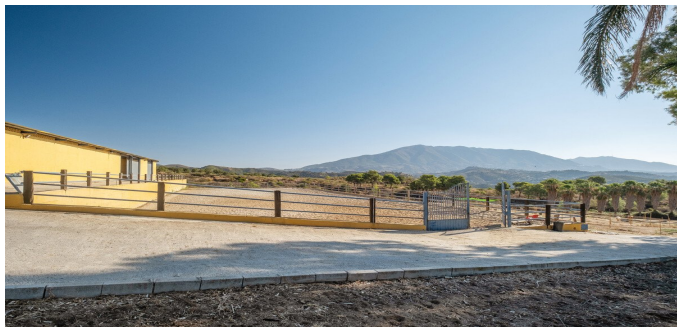

Key features include 25 boxes, a 20x40 indoor arena (with the possibility to expand), a 30x60 outdoor arena, a veterinary clinic space, three apartments with sea views, a longing circle, truck space, and paddocks. This property not only boasts excellent facilities but also offers a significant amount of land, a rarity in Costa del Sol.
