Land plot in Marbella

Building plot with project and permit in Nueva Andalucía

Discover a prime building plot located in the fully developed area of Nueva Andalucía, specifically in the Haza del Conde urbanization. This plot is designated for a detached single-family home and offers a generous land area of 1,210 square meters.

The plot is well-defined with clear boundaries: to the north and northwest, it borders a green area; to the south, it faces a public road; to the east, it adjoins property A-29; and to the west, it also fronts a public road. This is an excellent opportunity to create your dream home in a desirable location.

Key features

- Land area: 1,210 m²
- Location: Haza del Conde urbanization, Nueva Andalucía
- Designation: Detached single-family home
- Fully developed area
- Project and permit included
