Villa in Nerja

Independent villa with swimming pool near Nerja

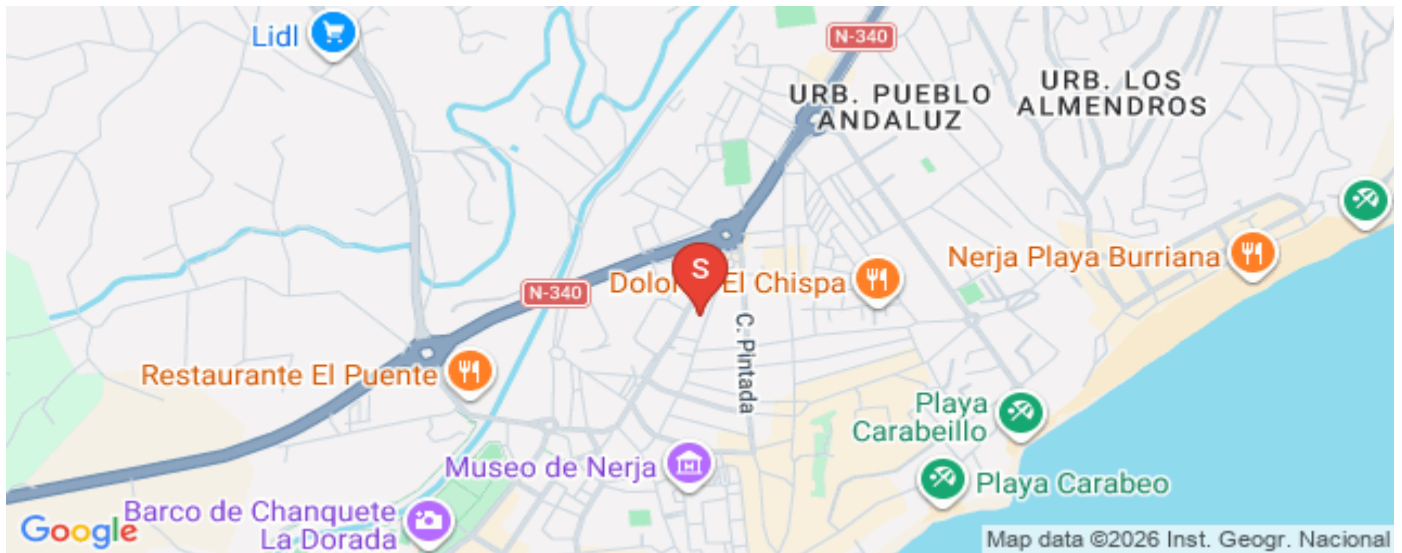

This independent villa is situated in a tranquil rural area between Nerja and Frigiliana, surrounded by nature and offering open views of the Mediterranean Sea and the Axarquía landscape. The property spans approximately 3,000 m² and features spacious outdoor areas, several terraces, a private swimming pool, and a pleasant barbecue area, perfect for enjoying the outdoor lifestyle throughout much of the year.

The villa is distributed over two levels, providing a flexible layout with six bedrooms and five bathrooms, along with two living rooms and two kitchens. This makes it suitable for various uses, such as a large family home, a property with independent guest accommodation, or a rental opportunity. Despite its private setting, both the center of Frigiliana and the beaches of Nerja are conveniently located about 3 km away, allowing for a perfect blend of peace, views, and proximity to the coast.
